Prices subject to change without notice

Preparations FV: Frozen Venom
 LV: Lyophilized (freeze-dried) venom
 LVG: Lyophilized venom glands (pair)
 PVGP: Venom gland pairs preserved in RNAlater (Ambion)
Custom preparations available on request

Restrictions Venoms are sold for research purposes only, not for medicinal or veterinary use.
 No sales to individuals.

Availability Most of our venoms are produced to order, on a custom basis.
 Please inquire about availability before ordering and ask if you can't find what you're looking for.

Domestic Lyophilized venoms are typically shipped via US Priority Mail or Express Mail.

Shipping Please specify FedEx Next or 2nd Day if this is preferred
 Frozen venoms and glands are shipped on dry ice (\$18.00 dry ice and container charge)

International Please inquire about payment and shipping arrangements before ordering.
Orders International orders are generally shipped at ambient temperature (without dry ice) via FedEx.
 Most shipments require a US Fish Wildlife declaration and inspection since venoms and glands are wildlife products.
 This costs an additional US\$ 125.00 plus broker fees for the inspection.
